## The Tale of a 30th High School Reunion

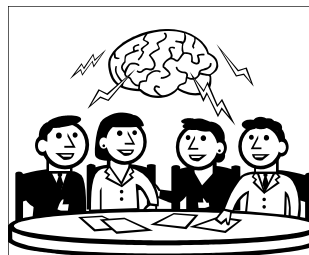

It all began in the summer of 2005 ... well it actually began the summer of 2004. I had been wondering if anyone would call and get our 30th reunion going since it was coming up. Planning a reunion was not on my priority list because my parents decided to sell their Aina Haina home and because we had lived there with them since 1996, we were going to be relocating soon.

My husband began moving furniture from room to room to patch and paint and I was helping to move the smaller things back and forth, sorting and throwing away anything I could think of. No one called so the reunion pile got packed up ready to be moved, too.

Then in June '05, I got a call from **Jill Doughty Becker**. I had the class money and told her that I was more than happy to help in the committee. Life was calmer for me and my family now.

Our first meeting was held on June 7th at Canoes Restaurant at the Ilikai. Besides Jill and me, **Robin Kimura**,

**Leslie Kurisaki**, and **Christine Watanabe** were there to get the ball rolling. We also had major support from **Jim Chilen**, **Sheri Lee**, and **Benson Lau**. Though they couldn't meet with us regularly they contributed in many important ways.

The Committee hard at work planning your reunion!

Since that first lunch meeting, we have had a wonderful opportunity working, eating, laughing, and getting to know each other better. As Robin wrote in an e-mail to the committee, "It was great working with all of you and most of all rekindling and forging new friendships. It may have taken 30 years but it was well worth it!"

What I've enjoyed about our reunions—and we've been really lucky to have had 4– a 5th, 10th, 20th, and

30th—is having the opportunity to get to know our classmates all over again ... people we hung out with, people whom we remember seeing on campus, and people we didn't even know before. We've matured well and can now call each other friends.

A lot has happened in thirty years. Many of us have endured or are facing difficult challenges now, some have accomplished marvelous things, others live quiet simple lives. But life is a wonderful thing. Our past is gone and cannot be changed but I try to embrace it and learn from it. There's so much more to do, to look forward to.

Now 2005 is coming to a close. Has it already been a month since our reunion? Perhaps I'll see you in 2007 in Vegas? Maybe sooner? Have a wonderful life! Aloha!

## And They Came From Afar

We had 95 class mates attend our reunion. Most came from all parts of Oahu but nineteen had to take a plane and we're glad they came ... even if was just for a couple of days:

From the outer islands ... Big Island ... **Kari Krewson-Evans** (Holualoa) ... Hilo, **Kevin Kurata, Terri Lum, Jan Tanimoto Ching,** and **Gary Tom ... Mike McBride** from Kapaa, Kauai ... Maui ... **Roy Villanova**

(Pukalani), **Eric Wong** (Kihei), and **Jeff Sutter**.

From California ... **Dan Hofstedt** (Santa Clarita), **John Ikeda** (Roseville), **Grace Ishimoto Peterson** (Anaheim).

**Elrae Titcomb** came from Las Vegas, Nevada but husband **Garrett Ouchi** couldn't join us this time ... maybe in 2007?

From Beavercreek, Oregon ... **Wendy Kuba**.

**Gail Ow** came halfway across the great continent from Aus-

tin, Texas.

**Jana Farren Johnson** and husband Brad came from Salt Lake City, Utah via the Big Island where they attended a KFC convention.

**Wesley Goo** and **Kathy Kahn** who we learned are now Mr. and Mrs. flew in from Redmond, Washington.

And flying all the way from Kinston, North Carolina, **Mark Oakes**, who said it was time for a vacation!

Many years ago I received a book from **Cheryl Park Cheng** (married to **Michael Cheng**) titled, *Is There Life After High School?* In the inscription on the inside cover she wrote, "I hope so." Now we can definitely say, Yes, there is much going on after high school and we're celebrating!

## Thank You Again and Again

To **Jill Becker** ... for being our commander-in-chief and taking the initiative to get a committee together to get the reunion planned. (Jill works for the American Red Cross so with Hurricanes Katrina and Camille and a move downtown, she was extremely busy).

To **Robin Kimura** ... for being our MC and doing a great, great job, and for your terrific band—RKS Band (as in Royal Kunia Street Band, not Robin Kimura's Soul Men) and for bringing back Greenwood. The highlight of a great night! Thanks Greenwood ... Robin, **Bradley Choi, Warren Cone, Alan Nakamoto, Jarry Gomes,** and newbie, **Brian Yanagi!** (Thanks to **Dan Hofstedt** for bringing your guitar and sharing your beautiful music with us.)

To **Leslie Kurisaki** for working with **Sheri Lee** (in Washington state) and getting an e-mail address setup and helping with communication. (We're

sorry Sheri couldn't make it at the last minute due to a schedule change.) We've lost so many classmates, EVERYTHING and ANYTHING helps.

To **Chris Watanabe** for hustling us along and taking care of loose ends, and being in charge of the decorations (with your wonderful gang).

To **Benson Lau** for helping us when you could ... the food was fabulous!

To **Jim Chilen** for letting us use your P.O. box once again. We're sorry you couldn't make the reunion either because of your job training in Oklahoma and really, really appreciate your generous cash donation.

To **Candice Au** of the Renaissance Ilikai Waikiki for ALL your help with the arrangements and facilities ... and also your staff, the workers who provided a beautiful room and bar, delicious buffet and help everywhere. I didn't get the hotel certificate but we thank

you for that most generous gift.

To **all of our classmates** who generously donated items for our silent auction as well as cash for the Kalani High School Association. I don't have all of your names yet but know that your gift will be put to good use. We hope to make a donation to the school soon. After our 20th reunion we gave Kalani \$1000. We hope to at least double the gift this time and to all of you that came to our reunion ... you're the best!

And a personal note ... I hope I didn't miss anyone ... let me know if I did ... and to my husband Leon who's support enabled me to be a part of the planning committee for the 20th as well. He put up with my messes, piles, and projects, and even came home a day early from a Phoenix business trip to chauffeur, transport, carry and lift, and dance with me, too.

## Are You a Shutterbug?

Did you take any pictures at the reunion? Thanks to classmate **Guy Muraoka** we have

a Class of 1975 website at [www.byguy.com/kalani](http://www.byguy.com/kalani).

Send him your photos and if anyone can scan our class reunion photo, please scan yours to him on high resolution so he can format it to an 8x10 printable version. People like me aren't computer literate

enough to do fancy things like scanning. Contact Guy at [info@byguy.com](mailto:info@byguy.com) today! It'll be fun to see some pictures of us having a blast at the reunion and forgetting that we aren't 18 still ... maybe 29 ...

## Sharing Time!

Did you wonder what we would do with all that wonderful information you shared on the surveys? I had so much fun reading them I had to share it with all of you ...

**John Arruda** (Poulsbo, WA) *Since High School:* In 1998 I received the Department of

Defense Heroism Award for rescuing two people during a 140 unit apartment building fire. (John is a Fire Chief with the Federal Government—Navy, region northwest.)

cently "exploring the 58th country on a cruise from Singapore to Australia...")

**Bradley Choi** (Mililani) *Since:* Went to Japan on a concert tour, summer of 2003. *High School Memory:* Don't remember much from those days! ☺ [Bradley was Imua's drummer at my son's recent wedding reception. I didn't recognize him until they were getting ready to go leave!]

## **Warren Cone**

In the Sunday, July 31st edition of The Honolulu Advertiser, there was a story about the Kaimuki Class of 1975 reunion. At the end of the article it said, "Now the class reunion committee is planning something a little more ambitious: a 50th birthday party for 1975 grads—which it is hoped will include those from McKinley and Kaiser—in Vegas two years from now. The planning has already begun. 'The 30th class reunion,' [Ron] Hashiro said, 'was just the warm-up act.'"

Since there was interest

amongst our classmates for a 50th in Vegas, I contacted Ron Hashiro (the article stated that he was a project manager at HMSA) after our reunion. There had been two deaths in his family since his summer reunion so not much was planned. He hopes to get a committee going with at least two classmates representing each school, Kaimuki, Kaiser, Kalani, McKinley and even Roosevelt. Ron had met Bonnie (Kaiser '75 grad) who works at the Prince Hotel so this is how the party got rolling along.

Hopefully a committee will meet for dinner before he leaves for Vegas in January to scope out a location. They are looking towards an early October birthday reunion (first or second week) so a golf tournament can be a part of the activities. If you are interested in being part of the planning committee, have some great connections, etc., please let me know. I haven't been to Nevada yet so I'll be saving my pennies. I plan on making my 50th birthday year a BIG one!

**Did you know?** On January 13, 1957 Wham-O Company produces the first Frisbee and on September 4th, the Ford Motor Company produced the Edsel on what the company proclaims as "E Day." Others facing the big 5-0 in 2007 ... Nancy Lopez, Katie Couric, Princess Caroline of Monaco, Payne Stewart, Robert Townsend, LaVar Burton, James Ingram, Vanna White, Spike Lee, Paul Reiser, Daniel Day-Lewis, Sid Vicious, Kirk Gibson, Cameron Crowe, Melanie Griffith, Gloria Estefan, Kevin Eubanks, Caroline Kennedy, Donny Osmond, Ray Romano, and Matt Lauer ...

## The Kalani High School Association

We received an interesting e-mail in August from Owen Fukumoto, the Treasurer of the newly formed KHS Association. We heard (and a few of us had some first hand knowledge) that Kalani didn't have a parent or support organization for over a decade. "School pride and morale is sorely lacking," wrote Owen, "the facilities are deteriorating and communication between administration, faculty, students, and parents are at an all time low." This summer a group of concerned parents formed a non-profit co-op to support the school. Using their various talents and knowledge they have been working as con-

cerned parents to help benefit the Kalani family.

Owen attended our reunion with another parent and invited us to "come home" and "be a part of this great movement to restore the spirit and pride of Kalani High School and to make it once more, one of the

New books hadn't been added to the Kalani library since we were there!

best learning institutions in the State of Hawaii!"

"If you would like to get involved in this movement, we encourage all of you to log on to our website at [www.kalanihigh.org](http://www.kalanihigh.org) and register for FREE. By registering as a member, you will be able to receive email updates on activities of interest.

"If you would like more information on the Association, please feel free to contact Roger Izuka, President, at [rbazooka01@yahoo.com](mailto:rbazooka01@yahoo.com) or Owen Fukumoto, Treasurer at [ofukumoto@yahoo.com](mailto:ofukumoto@yahoo.com). Thank you for supporting your School!"
